Hi Dave,

On October 17, 2019 we plan to start the meeting at 10 AM and we will be discussing the LTCP. EPA counsel will be sending your outside counsel the specific technical topics we like to discuss. A couple of days before the meeting I will send you a list of the EPA personnel attending the meeting.

Please let me know if you have any questions. Go Eagles

Steve,

Fred spoke with Ms. Rivera and relayed to us that the focus of the October 17<sup>th</sup> meeting will be strictly non-FCA related issues.

I wanted to confirm that with you before I relay to John Mastracchio that we won't need him.

Thanks,  
Dave

Steve,

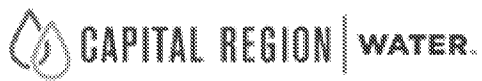

At the end of our meeting on September 10<sup>th</sup>, I thought you said you'd be following up with OECA's consultant to compile any additional comments on our FCA.

If you received anything, would you please forward to us at your earliest convenience? We'd like to have some time to review the content, so we're well prepared to discuss on 10/17.

Please let me know either way.

Thanks,  
Dave
